

GOVERNING BODY

Expenditures in the Governing Body category are related to the operations of the Town Council. The Duck Town Council is comprised of five Duck residents who are elected every two years. The Mayor and Mayor Pro Tempore of the Town Council are selected by the Council Members themselves. The next election of the Town Council is scheduled for November 2019. The Town Council is the legislative and policy-making body for the Town. They achieve the goals of the electorate through the passage of ordinances and policies that are then implemented by Town staff.

The FY 2020 Budget for the Governing Body is expected to increase by 6% from the FY 2019 Amended Budget. This increase is due to additional expenditures in the Workers Compensation and Insurance and Bonding categories.

Below is a chart that shows the Governing Body budget from FY 2014 to the FY 2020 Budget with an additional estimate to FY 2024.
