

LEGAL

Expenditures in the Legal category are related to the Town’s contract with the firm of Hornthal, Riley, Ellis & Maland for legal representation. The Town pays a monthly retainer for regular services, such as attendance at Town Council meetings, review of agendas, ordinance review, etc. and pays additional hourly fees for services outside of the retainer.

The FY 2019 Budget for Legal is expected to increase by 7.69% when compared to the FY 2018 Amended Budget. This is due to an expectation that the demand for legal services will increase in FY 2019 over FY 2018.

Below is a chart that shows the Legal budget from FY 2014 to the FY 2019 Budget with an additional forecast to FY 2024.
